Early childhood development

The legacy of Douglas and Eleanor Murray

Invest in South Africa's potential

Nurturing care

Learning how to cope with adversity is an important part of healthy development.

**DG
MT**

10
powerful
opportunities
for change

1

Drive public innovation by reigniting civil society

2

Release the systemic chokes on innovation that are perpetuated by exclusion

3

Create unlikely networks to stimulate change

4

Give *every* child the benefit of early childhood development

10

powerful opportunities for change

5

Stop nutritional stunting among children under two years

6

Make sure every child is ready to read by the time they go to school

**DG
MT**

7

Build simple, loving connections for every child

8

Place failing schools 'under new management' so that children can succeed

9

Create new connections to opportunity for young people

10

Support young people to keep their grip on opportunity

4

Give *every* child
the benefit of
early childhood
development

5

Stop nutritional stunting among children under two years

6

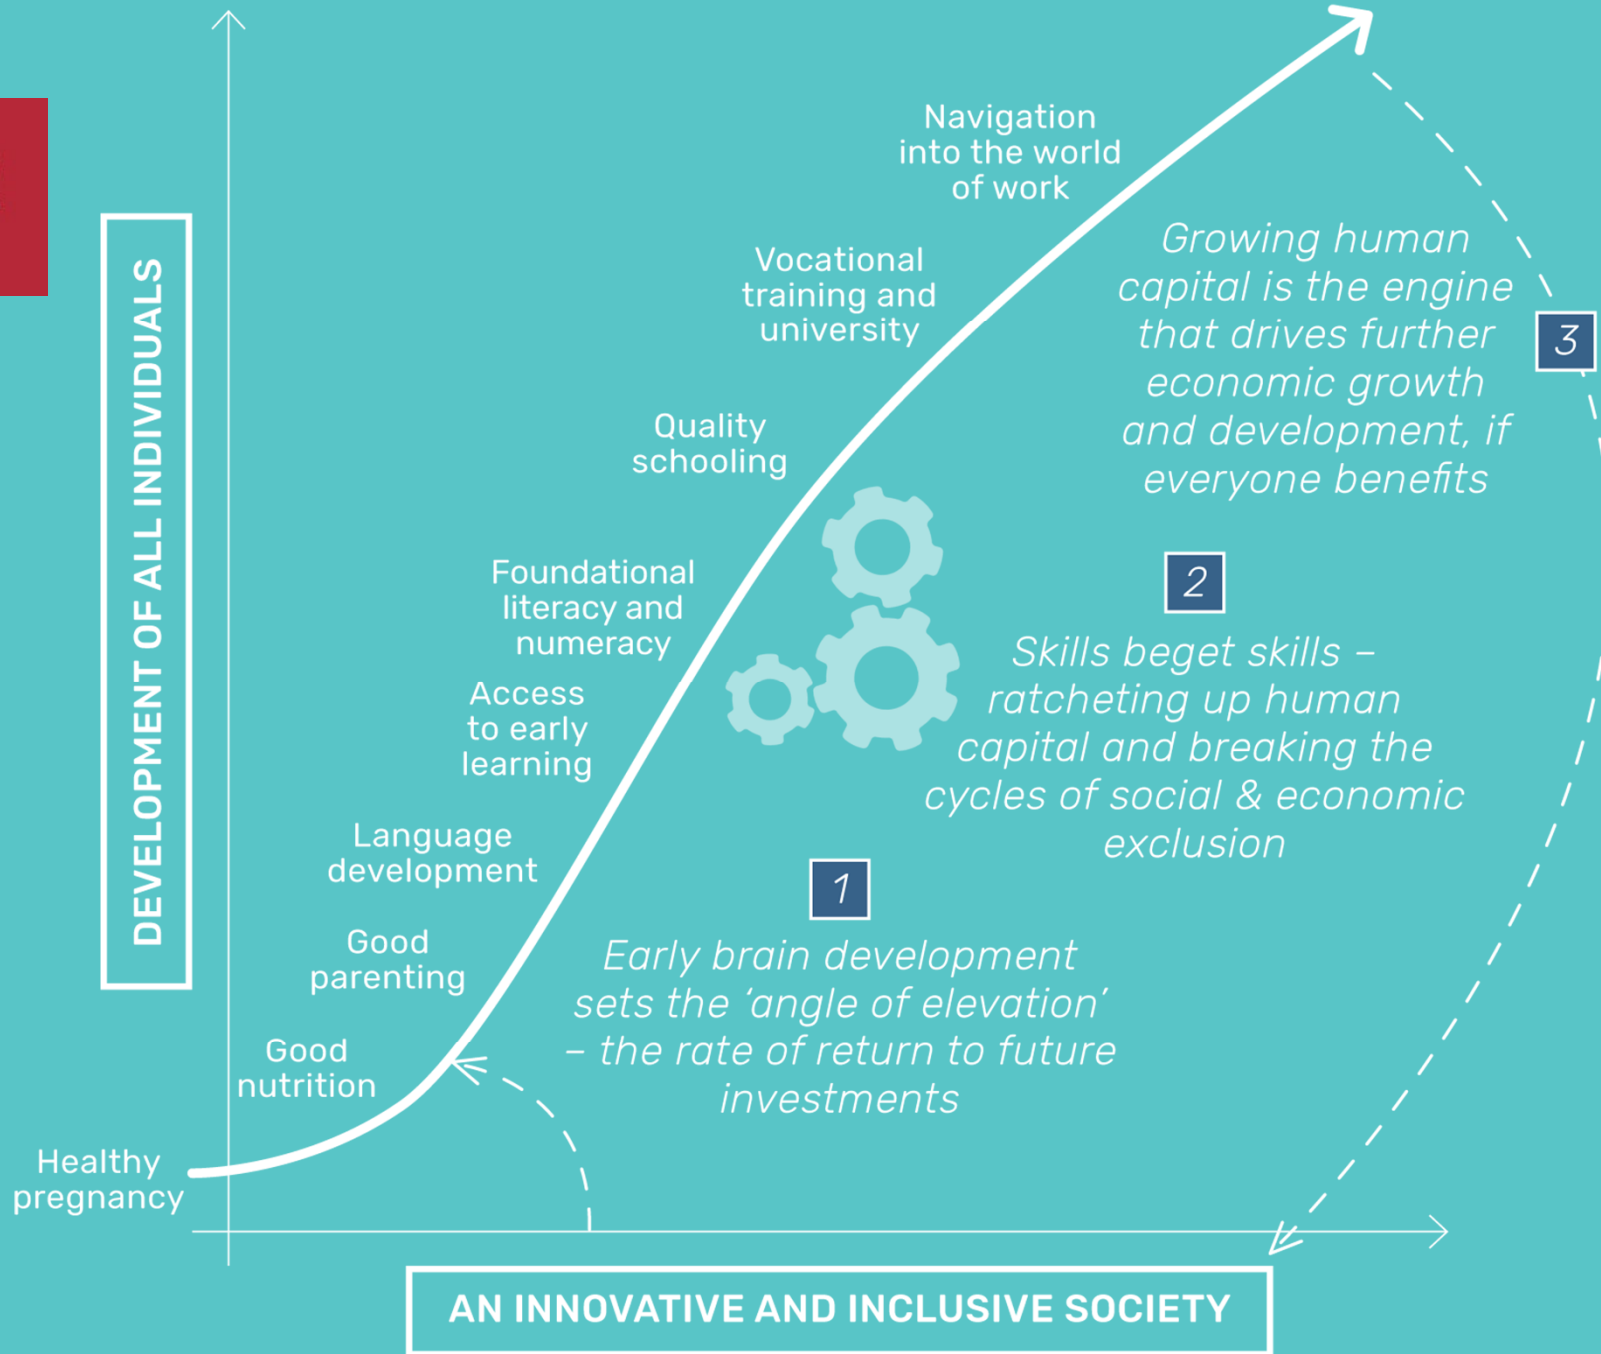

Make sure every child is ready to read by the time they go to school

7

**Build simple, loving
connections for
every child**
