Read and Accept Before Accessing the Financial Model

This Financial Model (the "model") has been prepared by Cresco Project Financial

This Financial Model is provided to the user on the condition that

The model has not been formally audited.

No representation, warranty or undertaking (express or implied) is made by Cresco regarding the accuracy, merchantability, adequacy, fitness or sustainability for any particular purpose or the reliability of the model or its assumptions (inherent or explicit).

Users of this model do so entirely at their own risk and are responsible for any loss or damage.

The model is provided by electronic means (i.e: CD / Electronic Mail / Floppy Disk) and is not protected from computer viruses or other factors which may affect the integrity of the model.

The model has been designed so that the user can change some of the data input. Cresco is not responsible for inaccuracies, failure of the model or calculation errors resulting from changes within the coding of the model.

For the avoidance of doubt, by opening this file, the user is by default, understood to accept that the model has not been audited and that Cresco takes no responsibility for any loss or damage.
