GARDEN ROUTE DISTRICT MULTI-AGENCY COMMAND CENTRE

UPDATE: COVID-19 POSTIVE CASES, 16 MARCH 2021

In the Garden Route district there are signs of increasing numbers coming through from George, and in particular Thembalethu. Thirteen (13) of the 23 new Covid-19 cases in George over the past weekend are from Thembalethu.

In addition, at this morning's Provincial Disaster Management Centre (PDMC) Covid-19 Joint Operations Centre (JOC) meeting, the Provincial DoH representative raised their concerns with regard to the Covid-19 cases that increased from 13 to 33 in Mossel Bay and from 47 to 75 in George. As a collective, we should all put in renewed effort for vigilance and actions for both George and Mossel Bay.

One might observe that the recovered cases are less today than the previous reporting period, but that is because the Provincial Department of Health had a number of duplicates that have been removed from their system.
