**General points:**

1. There is a very big increase in new cases and a big increase in the active/100 000.

Mossel Bay and then George have the highest rates/100 000.

There are many learner and family clusters.

2. Distribution is wide-spread.

3. George Hospital having increases. Covid ward 50% full and High Care 54% full.

All district hospitals manageable presently and not under pressure.

4. Private hospitals in Mossel Bay and in George very busy.

**Vaccine Program**

1. Up till now, a total of 40 674 vaccines have been given in the Garden Route.

2. For yesterday, a total of 3 218 were given.

3. Vaccines are allocated to us on a weekly basis and our target is to use all up before the next batch arrives.

This has essentially been done up till now.

In general, the health dept is under increasing pressure with the rise in Covid cases, and ensuring all the vaccinations take place at the same time.

De-escalation of select services is now being actively done.

**Registration of > 60s.**

We are on 59,3% in total of all registrations and call upon our partners to review how this registration process can be supported by them.
