General points:

1. There is further increase in the active/100 000.

Mossel Bay and then George continue to have the highest rates/100 000.

Mossel Bay possibly starting to turn around.

Main areas of concern: George (196 new cases yesterday); Hessequa (37 new cases yesterday)

2. Distribution is wide-spread.

3. George Hospital under severe pressure. Covid ward full and High Care full.

All district hospitals very busy but manageable presently.

Afrox oxygen, received from Port Elizabeth: no problems presently.

4. Private hospitals in Mossel Bay, George and Oudtshoorn very busy.

5. Unfortunately, still a high number of deaths.

Vaccine**Program**

1. A total of 2 719 vaccinations done on the day by DOH.

2. Total vaccinations done: 72 148

3. Vaccines are allocated to us on a weekly basis and our target is to use all up before the next batch arrives. This has essentially been done up till now.

4. Our allocation for next week is far beneath what our capacity is.

7. Way forward for

7.2 Special groups vaccination program (1-dose J&J) for select categories including farm workers

7.3 Planning: DSD/Social sector staff J&J vaccine vaccination 26-28 July 2021

7.4 From 1 August 2021, >35s will also become part of the Standard vaccination program
