The purpose of this report is to provide the Council with an update on the progress made by the Garden Route District Municipality and the Knysna Municipality in addressing and resolving matters related to the various disputed properties.

3. DELEGATED AUTHORITY

Council

4. EXECUTIVE SUMMARY

The Garden Route District Municipality (GRDM) is the registered owner of the following properties:

1. Remainder Portion 1, 2 & 3 of the Farm Walkers Point No 215, Division Knysna
2. Erven 20, 21 and 22 Belvedere
3. Erf 2790, Knysna
4. Farm 185, Portion 1, George Road

The Knysna Municipality and the Garden Route District Municipality (GRDM) have been engaged in a longstanding dispute over the ownership of the aforementioned properties within the Knysna Municipality's jurisdiction.

The most recent issue arose when the Environmental Health Practitioners (EHP) Office in Knysna received a notice from the Knysna Municipality regarding the premises they jointly occupy. The Knysna Municipality informed GRDM that it would no longer be able to pay rental fees to accommodate the GRDM EHPs. This development triggered extensive correspondence between the two municipalities and reignited the previously dormant property ownership dispute.

Consequently, the EHP Office has been required to pay rent for the Concilium Building in Knysna, which it has shared with the Knysna Municipality. In response to this situation, the Knysna Municipality tabled a report to its Council, resulting in the adoption of a resolution that was subsequently communicated to the Garden Route District Municipality for their noting.

Herewith the Council Resolution:

F&G14/06/25: REPORT ON PROPERTY DISPUTE WITH GARDEN ROUTE DISTRICT MUNICIPALITY

UNANIMOUSLY RESOLVED

- a) *That the contents of the report pertaining to the dispute pertaining to the registration of ownership of the properties be noted;*
- b) *That the administration solicit further assistance from the Western Cape Provincial Government with the facilitation of the dispute;*
- c) *That the administration reports back to the following meeting regarding the progress of the dispute;*
- d) *That Council confirms that Knysna Municipality is not indebted to the Garden Route District Municipality for free office rental; and*
- e) *That any agreement for the utilisation of Municipal premises for office accommodation by the Garden Route District Municipality be tabled to Knysna Council for consideration;*
- f) *That if any negotiations with the Garden Route District Municipality are conducted the following Councilors and officials, be included:*
 - *Executive Mayor*
 - *Chairperson of Finance and Governance Committee*
 - *Municipal Manager*
 - *Director : Corporate Services*
 - *Chief Financial Officer*
 - *Acting Manager : Legal Services*
 - *Cllrs S Campbell, N Louw and S Sabbagh.*

6. DISCUSSION

6.1 Background and Discussion

Upon receipt of the abovementioned Council Resolution, the Garden Route District Municipality (GRDM) initiated negotiations and further discussions with the Knysna Municipality regarding suitable office accommodation for the Environmental Health Practitioners (EHPs). These engagements also reignited the broader property dispute between the two municipalities.

Consequently, a meeting was scheduled for 22 October 2025 at the Knysna Municipality Council Chambers to deliberate on the matter. The following officials were in attendance:

KNYSNA Municipality	Garden Route District Municipality
Executive Mayor	Executive Mayor
Deputy Executive Mayor	Speaker
MMC: Integrated Human Settlements	MMC: Budget and Treasury
Ward 9 Councillor	MMC: Properties and Asset Management
MPAC Chairperson	Municipal Manager
Municipal Manager	Chief Finance Officer
HOD: Corporate Services	HOD: Community Services

HOD: Community Services	HOD: Integrated Planning and Economic Development
HOD: Integrated Human Settlements	Manager: Legal Services
Acting HOD Planning and Economic Development	Manager: Projects, Properties, Facilities and Resort Management
Acting Manager: Legal Services	Senior Manager: Environmental Health Services
Acting Manager: Properties	Manager: Waste Management Services

During the meeting, background information regarding the disputed properties was presented. The Municipal Manager of the Garden Route District Municipality (GRDM) proposed that each property be considered and discussed individually rather than as a single collective matter. The legal opinions obtained by both Councils (2012 and 2014) respectively was also revisited and clarified during the discussions.

Following deliberations, each property was debated in detail, and the way forward for each was agreed upon to be formally tabled before Council for consideration and decision.

Farm 185, Portion 1 – Swartvlei Caravan Park

- Extent: 27.3788 ha
- Zoning: Agricultural Zone 1
- Registered Owner: Garden Route District Municipality (formerly Divisional Council of George)
- Current Use: The property is utilised as the GRDM Swartvlei Caravan Park.

Following deliberations, it was resolved that Farm 185, Portion 1 (Swartvlei Caravan Park) remains the property of the Garden Route District Municipality and will not be transferred to the Knysna Municipality.

Erven 20, 21 and 22, Belvidere

- Combined Size: 914 m²
- Zoning: Open Space Zone
- Registered Owner: Formerly Distriksraad – Suid-Kaap (now Garden Route District Municipality)
- Current Status: Vacant land situated along the lagoon shore, maintained and beautified by residents. Benches have been installed on the site. The properties are located below the water line and are therefore not suitable for development.

Following discussions, it was resolved that Erven 20, 21 and 22, Belvidere, be transferred to the Knysna Municipality.

Remainder of Portions 1, 2 and 3 of Farm Walkers Point No. 215, Division Knysna

- Portion 1: Vacant, mountainous land.
- Portion 2: Forms part of the caravan park area and includes a leased site with semi-permanent structures (including a beachfront restaurant).
- Portion 3: Forms part of the caravan park and accommodates the municipal water treatment plant and reservoir.

Following deliberations, it was resolved as follows:

- **Portion 1: To be transferred to the Knysna Municipality as it forms part of the caravan park area.**
- **Portion 2: To remain the property of the Garden Route District Municipality (GRDM) and not be transferred to the Knysna Municipality.**
- **Portion 3: To be subdivided. The section of the property accommodating the water treatment works will be transferred to the Knysna Municipality, while the remaining portion will remain under GRDM ownership and may be transferred to CapeNature at a later stage.**

Erf 2790, Knysna (George Rex Drive)

- Size: 1.7131 ha
- Zoning: Information not available
- Registered Owner: Formerly Divisional Council – Outeniqua (now Garden Route District Municipality)
- Current Status: The property accommodates the Knysna Municipality's Technical Department offices, while another portion of the site is used as a golf course.

Resolution: evidence can be provided that this property was purchased. It was resolved that Erf 2790, Knysna, be subdivided as follows:

- **The portions comprising the golf course and the Electro-Technical Services offices will be transferred to the Knysna Municipality.**
- **The Garden Route District Municipality (GRDM) will retain ownership of the Roads Depot Building situated on the property.**

Environmental Health Practitioners (EHP) Office

The Knysna Municipality identified an alternative office space to accommodate the Environmental Health Practitioners (EHP). A site inspection was conducted on 23 October 2025, attended by the Superintendent of Property Maintenance, the Senior Manager of EHP, and Mr James McCarthy.

The building was found to be unsuitable for immediate occupation by the EHPs as it requires extensive repairs. A preliminary cost estimate indicates that approximately R150,000.00 is needed to make the building habitable, although the condition after repairs would still be suboptimal.

6.3 Strategic Objective

Financial Viability and Sustainability; Sustainable Environment Management

6.4 Financial Implications

The Knysna Municipality will bear the subdivision, transfer and other associated costs.

The carrying values of the properties to be transferred to the Knysna Municipality must be removed from the GRDM Asset Register.

Since these properties are being transferred to another municipality (Knysna Municipality) at no cost and without exchange or compensation, the transfer is considered a gratuitous (non-commercial) transfer of capital assets between organs of state.

6.5 Legal Implications

Intergovernmental Relations Framework Act
Municipal Transfer Asset Regulations

6.6 Staff Implications

There are no staff implications should approval be given for these properties to be transferred.

6.7 Previous / Relevant Council Resolutions:

None

6.8 Risk Implications

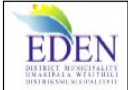

The transfer of the identified properties to the Knysna Municipality constitutes a loss of assets, which may negatively impact the Garden Route District Municipality's balance sheet.
